

# Year 11 Intervention 2011

More than ever before, in this current educational and economic climate, it is vitally important that our students achieve the very best results they can. Their most important **GCSE** grades will always be **English** and **maths** as without at least a C grade in these subjects their life chances are curtailed.

Outlined below are details and dates of various interventions that are taking place for our current year 11 students to enable them all to do the best that they possibly can:

Date	Students Involved	Intervention
Names and faces of students can be seen on the PowerPoint displayed in CR1 & LMC
